

and Temple Beth Am Present...

Leslie Schreiber has been practicing law for over twenty five years, and is devoted to the area of Reproductive Law. Her firm offers childless couples and singles counseling for several family building alternatives, including ovum, sperm and embryo donation and surrogacy options. Leslie facilitates the legal and administrative aspects for infertility treatments, including contracts to ensure parentage, and performs due diligence on your selections of fertility clinics and agencies. Leslie engages in community outreach as RESOLVE.ORG's Legislative Advocate for Florida and is the local Miami contact for Single Mothers By Choice. She is licensed in Florida, New York and Washington, D.C. and resides in Miami, Florida with her family.
